Flat-Pack Furniture Collection

About Us

Established in 2014 under the umbrella of SSB Global, SSB Furniture is one of the leading flat-pack furniture manufacturers in Turkey. Headquartered in Istanbul, our 32,000m² metal and wood production facilities are located in Bolu.

SSB Furniture is not just a brand; it's a lifestyle. We pride ourselves on providing high-quality, stylish, and functional flat-pack furniture for modern living spaces.

At SSB Furniture, our mission is to enrich people's lives by offering innovative and affordable furniture solutions that blend style, comfort, and functionality. We believe that everyone deserves a beautiful and comfortable living space.

Key Features of SSB Furniture include:

- **Quality Materials:** We use only the finest materials to ensure durability and longevity.
- **Innovative Designs:** Our designs are inspired by the latest trends, ensuring your space is always on point.
- **Functional Solutions:** Every piece is crafted with functionality in mind, making your life easier and more organized.

In addition to our core production, we also undertake customized furniture projects. At SSB Furniture, we are committed to sustainability. Our products are crafted with eco-friendly materials, and we strive to minimize our environmental impact throughout the entire production process.

Assembly has never been easier. Our intuitive designs and step-by-step instructions make putting together your furniture a breeze. Whether you're furnishing a cozy apartment or a spacious home, SSB Furniture offers a diverse range of designs to suit various spaces.

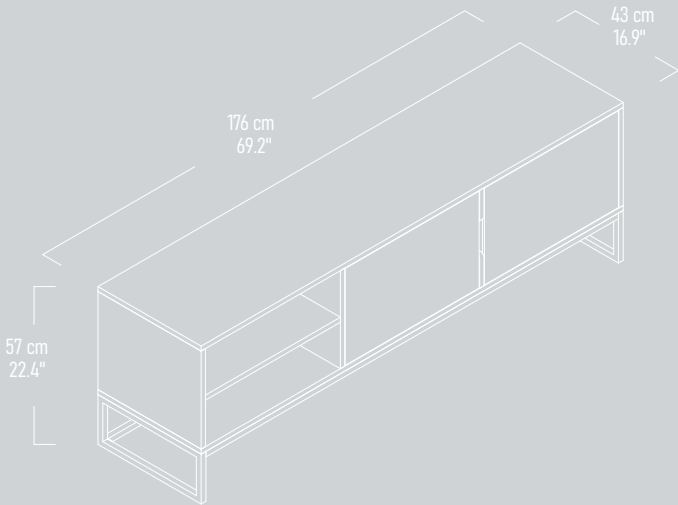

We invite you to experience the style, creativity, and convenience that flat-pack furniture brings to your living spaces.
