"Flat-Pack Furniture"

SSB GLOBAL has been founded in 2014, Istanbul to offer the best foreign trade service to its clients all over the world. Main aim of **SSB GLOBAL** company is to provide efficient service to all needs of its clients in terms of their import and export inquiries. Each of the world's major trading regions has its own unique requirements. There is efficiency in working with **SSB GLOBAL**, a single trusted advisor, who can handle all your compliance needs in the global arena.

SSB GLOBAL Company has started its foreign trade activities with the production of flat pack products under the brand "**SSB Furniture**" in 2019. Its main mentality is to produce flat pack panel furniture, and it also produces upholstered products and outdoor products. **SSB Furniture** responds not only to its own product family, but also to the project demands of its customers. Metal and wood production facilities are produced in Bolu / Turkey, and outdoor and upholstered products are produced in Istanbul / Turkey. It has developed its design, R&D and production power with innovative approaches and continues to offer its products to you, our valued customers, with its expert staff in foreign trade.

Moreover, **SSB GLOBAL** have worked with more than 200 companies in over 50 countries with countless deliveries through our referenced partners.

Apart from Furniture Production, we supply our service in two ways: Firstly, providing consultancy to the companies who is willing to export their products to all over the world. We present market research and explore the target market. We assess the research and find the appropriate customers. Our main aim is to build the bridge between consulted manufacturers and target market customers. In addition to market research, to reach the exact target market, we exhibit and/or visit sectoral fairs. Following the connection of the suppliers and customers, in step of orders, **SSB GLOBAL** also gives all kind of support and service for dispatching the orders. All services related to documentation, organizations and transportation is under our duty. Secondly, providing consultancy to the companies who is willing to import goods from Turkey and the ones who need to source service for their countries. We try to find to the point manufacturers and suppliers for our clients' needs. Regarding to this service, we organize shipment and documentation of these deliveries as well.

Our foremost aim is not only to give an A-Z service to our clients both for import/export and foreign trade issues but also to produce best quality flat-pack furniture and customized projects.
